Stacie Lynch

UX/UI Product Designer

UX/UI Product Designer with over 3 years of experience at WatchSystems, specializing in accessible design, usability improvements, and cross-functional collaboration, leveraging Agile methodologies and tools like Figma to enhance product engagement.

work experience

UX/UI Designer at WatchSystems

WatchSystems
June 2022-Jan 2026

- Collaborated weekly as sole designer with developers and product managers to refine project goals and enhance usability, utilizing Agile methodologies.
- Selected a new color palette for the company that will meet WCAG 2.2 compliance and created a library of 100+ unique icons, enhancing visual consistency and fluency across all company products.
- Designed and implemented a new user interface for OffenderWatch software, incorporating a modern color scheme and ensuring ADA compliance to enhance accessibility for users.
- Enhanced usability and redesigned the verification carousel in the OffenderWatch software, improving user navigation and increasing user satisfaction based on feedback.
- Designed a professional logo using Figma for OffenderWatch's new product, Verify, enhancing brand visibility and user engagement.
- Designed the user interface layout for the new Verify software product using Figma, incorporating company colors and icons to enhance visual consistency and improve user interaction.
- Collaborated on the product concept and design of the Mobile App (Remote Express) for OffenderWatch software, creating 100+ screens that illustrated user flows and developed a prototype, incorporating stakeholder feedback to refine the app's functionality.

Art Teacher and Event Coordinator

Art Bus NOLA
2018 - 2022

- Planned and coordinated over 100's of parties and public events on Mobile Art Bus.
- Taught art classes at three schools for over 500 students in Mobile Art Bus.
- Created and implemented 100+ art lessons and curriculum for school year.

Art Teacher and Computer Teacher

Immaculate
Conception School
2012- 2018

- Collaborated with grade levels 1st through 7th teachers on integrated lessons
- Established complete art curriculum for 1st - 7th grades for over 350 students.
- Managed and optimized a budget of $3000 to enhance educational resource for the school year.
- Implemented computer curriculum for 7th grade students.
